

Grade 5/6 Artwork

Grade 5 and 6 students have created fantastic Sand Paintings during term 1. They used PVA glue to cover cardboard with sand and then created landscape designs to paint onto their work with watercolour paint when the sand dried. The children produced some amazing work and had lots of fun in the process. (Artwork and artists from left to right– Dylan 5B, Chelsea 5C, Liam 6A, Kinza 6B, Emily 5D, Bimaya 6D).
