

People from the Past

The children in grade two have been studying 'The Olden Days.' On Monday 23rd of March we held our 'People From The Past' visit. We invited our grandparents and older relatives to join us in our classrooms. Our visitors helped us to understand the 'Olden Days' by talking and working with us to compare life 'then' with life 'now'. We talked about changes to school, transport, housing and games. We all enjoyed the visit. Thank you to Mrs. Colbert for the home made scones, Anzac biscuits and lamingtons that were enjoyed by our special guests.
