Craigieburn Primary School Parent's Club

Every Parent Counts

Joining Parent's Club is a wonderful way to become more involved in your child's education. Being involved in the school promotes and further develops your child's interest in their own education. It helps them to see how important their education is to you and therefore helps them to develop positive attitudes to their future learning.

The role of Parent's Club is to provide an opportunity for parents from the Craigieburn Primary School community to build relationships and to promote more opportunities for parents to be involved in the life of the school.

Education is a Community Responsibility

With nearly **800 children** currently attending our school, we would love to see more parents involved in parent club activities.

'Many Hands Make Light Work'

Parents meet once a month to:
Support & Encourage each other;
Discuss up-coming events & possible involvement;
Hear staff share about their role in the school & how we as parents can assist them;
Discuss how we can support the school in various ways.

Parent Club Activities include:

- Organise special food days for the students such as sausage sizzles / fruit platters;
- Organise stalls for Mother's & Father's Day;
- Assist staff in the classrooms & on special occasions;
- Organise fundraising activities such as raffles;
- Have special outings for the parents which contribute to relationship building.

**Mums, Dads, Grandmas,
Grandpas & Toddlers are all
MOST Welcome.**
