Dear Parent/Carer,

Craigieburn Primary School is looking forward to another great year of teaching and learning and would like to advise you of Craigieburn Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide educational experience for our students. It has allowed us to provide devices, library books, Maths and English resources and to maintain our buildings and grounds. The contributions also assist our Inquiry unit activities, specialist programs by providing resources for Visual Art, LOTE, Performing Arts, Physical Education and STEM.

Please find our School's Voluntary Financial Contribution schedule for 2023, which includes an overview of how your financial contributions will support the exemplary teaching and learning programs delivered at Craigieburn Primary School.

We hope that you will continue to support Craigieburn Primary School by choosing to contribute to the suggested 'Curriculum Consumables' and 'Other Contributions'
